JOB OPPORTUNITY

School-Based Clinician --- Youth Development Clinic (YDC), Newark, New Jersey

The YDC, a Newark-based, non-profit agency serving the psychological needs of children in urban schools and communities is seeking an individual to provide contracted assessment, consultation, counseling, and program planning and evaluation services to students and others in the East Orange Public School District. The time frames, hours, and compensation for the position are dependent on the individual and their qualifications. This individual will function under the direction of a site supervisor who is a licensed psychologist with more than 8 years of experience working in urban schools and communities. To learn more about the position and to apply for it, contact Vidal Annan at: avidal@gmail.com.

********************************************************************************

CONGRATULATIONS to Elana Goldmintz (4th Year Clinical student) on her recent engagement to Jonathan Gottfried. We wish them both the best!!!
