TEACHER’S COLLEGE WINTER ROUNDTABLE
On Wednesday, March 10 from noon to 1:30 in room A317, GSAPP students will share their experiences from this year's annual Teacher's College Winter Roundtable on Cultural Psychology and Education. Every year, this conference provides attendees with moving experiential exercises and cutting edge research in multicultural psychology, and the costs of attending the conference are significantly subsidized by The Academic Excellence Fund (“Dean's Fund”). We invite you to come hear about this year's exciting new findings and experiences, as shared by our students with the GSAPP community.
