PSYCHOLOGISTS FOR SOCIAL RESPONSIBILITY

PsySR is an independent, non-profit organization that applies psychological knowledge and expertise to promote peace, social justice, human rights, and sustainability. Join PsySR to find like-minded peers (including retired GSAPP professor Milt Schwebel, and alum Molly Stranahan) taking action on: Human Rights and Psychology ● Climate Change, Sustainability, and Psychology ● Violence, War and Their Alternatives ● Peace building and Reconciliation ● Social Health, Justice, and Well-being ● Education for Social Responsibility.

Members don’t have to be psychologists or students, they just share a commitment to applying psychological knowledge and expertise to today’s pressing societal challenges and to building cultures of peace with social justice. Please visit the website www.psysr.org to learn more, to join, and to participate. There are special student rates.

We would love to see you at the PsySR Conference “Toward a More Socially Responsible Psychology” from July 15 – 17 at the Boston Graduate School of Psychoanalysis in Brookline, MA. It will be a small, interactive conference exploring the mixed influences of psychology in both advancing and hindering the causes of peace, social justice, human rights, and sustainability. Learn more on the website, or contact Molly at molly@mollystranahan.com and maybe we can ride to Brookline together!
The NHSC Announces a New Loan Repayment Pilot Program for part-time clinicians

Part-time Primary Care Clinicians Can Now Join the Corps!

Applications are due by 5:00 p.m. EDT May 25, 2010

Part-time clinicians can now receive up to $50,000 in loan repayment in exchange for a four-year service commitment.

The NHSC is a network of more than 10,000 primary health care professionals and sites that serve the most medically underserved regions of the country. To support their service, the NHSC provides clinicians with financial support in the form of loan repayment and scholarships. The new Half-time Loan Repayment Pilot Project was created in response to requests from clinicians and sites.

CLINICIANS: How to Apply

• Check if you are eligible for this pilot program at www.nhsc.hrsa.gov/loannrepayment/halftime.

• If you currently work at a NHSC-approved site, talk with your administrator about participating in the program; your administrator will need to request a part-time vacancy. If you are a Corps member who would like to switch from full-time, we will begin taking requests for this in October 2010. See the program’s Frequently Asked Questions at www.nhsc.hrsa.gov/loannrepayment/halftime.

• If you are seeking new employment and would like to join the Corps, search for part-time positions on the NHSC Job Opportunities List at http://nhscjobs.hrsa.gov/.

• Apply following the instructions in the “Half-time Pilot Project Application and Program Guidance” available at www.nhsc.hrsa.gov/loannrepayment. We will notify you within 4 months of receiving your completed application.

SITES: How to Participate

• If you are a NHSC-approved site, please contact the Recruitment Training and Support Center at 1-877-313-1823 to request a part-time vacancy. You must agree that the part-time Corps position will be no less than 20 hours per week, of which at least 16 hours are dedicated to direct patient care.

• If your site is located in a federally-designated Health Professional Shortage Area, but you are not yet approved as a NHSC site, please use the “Recruitment and Retention Assistance Application” Criteria for eligibility and the application can be found at http://nhsc.hrsa.gov/communities/. Your site must be approved by May 25th to participate in the Pilot Program.

Visit http://nhsc.hrsa.gov. Stay connected through Facebook www.facebook.com/NationalHealthServiceCorps. Call us with your application questions at 1-800-221-9393 on weekdays.
