DEAN’S CORNER

Congratulations to Susan Forman, Chair of the Applied Psychology Department and Director of the School Psychology Department, who has been elected to the Executive Committee of the Council of Directors of School Psychology Programs.

The mission of the Council of Directors of School Psychology Programs (CDSPP) is to foster the advancement of doctoral education in school psychology. The organization includes North American doctoral programs in school psychology and provides a mechanism for dissemination of information, exchange of views, collection of data, facilitation of communication, and formulation of policies concerning doctoral training.

On Wednesday, September 2nd, the First Year GSAPP students were welcomed in by a picnic. A good time was had as we enjoyed the beautiful weather, food, and volleyball.
