MESSAGES FROM THE DEAN

SAD NEWS

I regret to inform you that Don Spence died on Tuesday night (9/25) in Princeton, NJ after a brief illness. Don, a superb psychologist and psychoanalyst, was probably best known for his 1982 book "Narrative and Historical Truth" which described the correspondence and coherence theories of truth and their different consequences for the conduct of psychoanalytic therapy. He and his work were written up in a lengthy article in the New Yorker by Janet Malcom.

Don was a professor of Psychiatry at UMDNJ and contributed to GSAPP through his expert clinical and dissertation supervision, guest lectures, candidate interviewing and participation in clinical oral examinations. If you would like to write a note to his wife, Mary Spence, her address is 9 Haslet Avenue, Princeton, NJ 08540-4913.

ACHIEVEMENTS

Gina Marie Restivo, a 3rd year school student, will be presenting at the 2008 National Association of School Psychologists (NASP) conference in New Orleans this February. Her two paper presentations will cover "Behavioral Parent Training for School Refusal Behavior in Developmental Disabilities" and "Self-Monitoring Strategies and Outcomes for Adolescents with Autism."

ANSWER AT RUTGERS UNIVERSITY WELCOMES A NEW DIRECTOR

PISCATAWAY, NJ — Answer, a leading national organization dedicated to providing and promoting comprehensive sexuality education, is pleased to announce the appointment of Beth Kraemer, M.S.W., as its new director. Ms. Kraemer, a leader in the nonprofit sector, brings more than 25 years of comprehensive nonprofit experience, including 10 years working in strategic grant making, to the organization.

Ms. Kraemer assumes this leadership role after a nationwide search that was spearheaded by members of the National Advisory Board at Answer and assisted by Lew Gantwerk, Psy.D., executive director of the Center for Applied Psychology at Rutgers University. Answer, which has been at Rutgers University since its founding, is a component of the Center for Applied Psychology.

“We are very excited about Beth Kraemer’s leadership abilities, intelligence, sense of mission and focus on getting the message out about our work. We look forward to this next step in Answer’s evolution and fully believe that Beth will provide the guidance and excitement that will take us forward,” Dr. Gantwerk says.

“It is a tremendous honor to lead a national organization that is so deeply committed to young people and the adults who guide them. I look forward to working with Answer’s dynamic staff, National Advisory Board and supporters as we continue to supply resources, advocacy, training and solutions in support of honest and balanced sexuality education for young people and the adults in their lives,” Ms. Kraemer says.

Ms. Kraemer received her M.S.W. with a major in community planning, organizational development and administration from the Wurzweiler School of Social Work at Yeshiva University in New York.
