THE GSAPP COLLOQUIUM COMMITTEE NEEDS YOU!

Student representatives are an essential part of the committee, whose faculty advisor is Jamie Walkup. **This is a great opportunity for students to have input and help bring speakers of interest to our campus.** By participating in the committee, you can ensure that student interests and values are represented.

The benefits of participating on the committee can include:
- **Opportunity to learn more about and perhaps have contact with the professional networks from which speakers are drawn**
- **Increased awareness of research and training developments represented by speaker interests**
- **Acquiring skills related to the various tasks involved (e.g. gathering and representing information on group attitudes, how to communicate with professionals, publicize talks, etc.)**

Our first meeting of the semester will be **Wednesday, February 11th at 12:15 in Room A317.** If you are interested in joining the committee, or finding out more information about the committee, please attend.

If you have any questions please contact Meredith Cregg-Wedmore: creggm@aol.com or Jamie Walkup: jaywalks@aol.com
