**JOB ANNOUNCEMENTS**

**Position:** Assistant Director

**Location:** Penn State—The Department of Psychology (Psychological Clinic)  
314 Moore Building, University Park, PA 16802

**Responsibilities:**
This is a non-tenure line clinical faculty position with a multi-year renewable contract and opportunities for advancement in rank. The Psychological Clinic serves as a graduate training facility, a psychotherapy research site, and a comprehensive outpatient mental health provider for the region (treating both Axis I and Axis II disorders). Looking for individuals who are interested in facilitating both clinical training and research to best fit our clinic’s integrative emphases, applicants should have clinical expertise in at least one treatment modality (e.g., CBT, psychodynamic, family systems), and should also be knowledgeable about, or interested in, other theoretical approaches to treatment. They should also have expertise in the integration of science and practice. Responsibilities for the position include teaching and supervising graduate students in therapy and assessment with adults, the development and facilitation of clinical research activities, consultation with community agencies, and program development.

**Qualifications:**
Candidates must have a doctorate from an APA approved program, have completed an accredited internship and be eligible for licensure in PA. We prefer at least one year of related experience. Start date is negotiable.

Send letter of application, vita and three letters of reference to:
Brian Rabian, Ph.D., Chair C/A Search Committee  
Department of Psychology, Penn State  
314 Moore Building, University Park, PA 16802.

Applications received by November 15th, 2008 will be assured of consideration; however, all applications will be considered until the position is filled. Penn State is committed to affirmative action, equal opportunity and diversity of its workforce.

**Position:** Full-time Tenure Track Faculty Position in Clinical PsyD Program

**Location:** Philadelphia College of Osteopathic Medicine (PCOM) Philadelphia, PA

**Responsibilities:** Seeking a Pennsylvania-licensed or license-eligible doctoral level clinical psychologist for a full-time (12 month) tenure track position. Responsibilities include teaching in the APA-Accredited Psy.D. Program in Clinical Psychology, mentoring dissertations, clinical supervision, assisting with administrative responsibilities in the clinical training area, advising and developing a research program with students, scholarly activity in areas of specialty, and departmental and college committee work. All interested individuals, especially minority candidates, are encouraged to apply.

**Qualifications:** Entering at the Assistant or Associate Professor level beginning as soon as possible and no later than July 1, 2009. Position is already funded. Degree in Clinical Psychology from an APA-Accredited Program, with emphasis in cognitive-behavioral training and substance use/addictive behaviors, and a planned program of scholarly activity are required. Candidate must have commitment to the practitioner-scholar model.

Please send your letter of interest, curriculum vitae, and three letters of reference to:
Rita Forde, Director of Human Resources  
4190 City Ave., Philadelphia, PA 19131-1131  
Email: HR@pcom.edu

Congratulations to David Kieval (2nd year clinical) on his recent engagement to Emily Sowalsky. We all wish him the best!!!

Congratulations to Suzanne Baranello on recently becoming a grandma once again! Baby Sean Patrick Tomoney weighed in at 9 lbs and is 21 1/2” long.

For those of you who celebrate the Jewish Holiday...

    Whatever joys the old year brought
    Whatever blessings, too...

Here’s hoping that the new year brings still more of them to you!!!

Best Wishes for a Happy & Healthy New Year!!!
