**Carol Lidz, PsyD**
Peterson Prize winner for 2015.

Please mark your calendars and plan to attend. If you have research or clinical supervision at this time, please make other arrangements for that day as **students are expected to attend. Faculty are encouraged to attend as well.**

*Carol Lidz* is retired in Philadelphia, Pennsylvania (USA) after a 40 year career in the field of School Psychology. She worked as a front line school psychologist in New Jersey and Pennsylvania, directed the Head Start Clinic Team in Philadelphia through United Cerebral Palsy Association of
Philadelphia and Vicinity, coordinated the Early Childhood program for School Psychologists at Temple University, and directed the School Psychology Program at Touro College in New York City. She has authored six books on assessment, primarily dynamic assessment, and published a number of research articles and chapters on topics related to early childhood assessment and dynamic assessment, as well as parent-child interaction.

Dr. Lidz will review her professional journey as a School Psychologist, particularly in the area of assessment. She will offer a brief overview of dynamic assessment, her contributions to development of this model, and her ideas regarding its contribution to the assessment repertory of the School Psychologist.
