

## IT Update

Over the summer we have been working to improve the IT environment at GSAPP.

### Website:

- Check out the new **Current Students** page on our website

<http://gsappweb.rutgers.edu/cstudents/>

The page now contains Student Announcements, Student Highlights, Events and general information for current students.

- If you have done anything over the summer that you would like to see included in our 'Student Highlights' section please email [pk.broderick@rutgers.edu](mailto:pk.broderick@rutgers.edu)

- Visit us on Facebook <http://www.facebook.com/pages/Piscataway-NJ/Rutgers-Graduate-School-of-Applied-and-Professional-Psychology/72584345831?ref=share>

### Media

- All the classrooms (except rooms 224 & 230) are now equipped with LCD panel TV's, DVD players and VHS players. This includes the Dean's conference room and the CAP conference room. You do not need to reserve equipment in these rooms unless you will be needing a laptop.

- New equipment available for student and faculty use includes: a Logitech webcam, a Flip video camera and portable DVD players. Please reserve them through the equipment scheduler.

### Computer Labs

- Additional computers have been added to both computing labs. All the computers are now on the new server and have access to Clinician Records. Coming this fall: IMAC's and duplex printing.

- You will need to use your GSAPP account to access computers in the labs or research rooms at GSAPP. If you don't have your account yet see Pk in room A307.

### Rutgers Services

- If you need to purchase a laptop or computer you can go through Rutgers for discounts on Dell, Lenovo (Thinkpad), HP, Mac. See Pk for details.

- If you need to purchase software you can get Rutgers discounts by purchasing through the

**Rutgers Software Portal:** <https://software.rutgers.edu/>

- Computer problems - take your system or laptop to **Rutgers Computer Repair** - great prices, reliable service. <http://computerrepair.rutgers.edu/>
