<ul style="list-style-type: none"> <li>• Program Planning and Implementation (Forman)</li> </ul>		

## II. Clinical Practica

A full-time practicum experience is defined as a full year practicum (at least fall and spring semesters) with a minimum of 10 hours of clinical contact, supervision, and training per week.

CCAFP students in GSAPP's **clinical program** are required to complete at least **two (2)** full-time practicum experiences where the majority of the service population can be classified as children or adolescents. Two years spent at the same practicum will count as two practicum experiences.

CCAFP students in GSAPP's **school program** are required to complete at least **two (2)** full-time child or adolescent practicum experiences in a non-school setting **and one** full-time practicum in the GSAPP clinic. These are in addition to any required school placements.

**Please describe each practicum you have completed at GSAPP:**

Practicum Name:	Dates :	Hours per week:
Description of youth population/services:
